## IMPORTANT INFORMATION

#### Period of Scheme

The scheme commences when the Participant leaves his/her place of residence or business in Singapore (whichever is the later) to commence the Trip until the time of return to his/her place of residence or business in Singapore or expiry of the Policy (whichever is the earlier) on completion of the Trip.

In any event the Trip should not commence more than five (5) hours prior to booked departure time or cease more than five (5) hours after booked return to Singapore. A Trip shall involve return to Singapore within the Period of Scheme stated hereon.

The policy can be extended upon additional scheme contribution to be charged for each additional day or part.

#### Pre-existing Condition

Shall mean any medical condition, sickness, disease, illness or injury

- (a) for which treatment or medication, or advice, or diagnosis has been sought or received during the twelve (12) months prior to the commencement of the scheme for the Participant concerned, or
- (b) which was known by the Participant (or anyone covered under the scheme) to exist prior to the commencement of the Policy whether or not treatment, or medication, or advice, or diagnosis was sought or received.

#### Warranty

- (1) The Participant warrants he/she is currently in good health, free from all physical impairment and deformity.
- (2) The Participant warrants that he/she is not travelling contrary to the advice of a Qualified Medical Practitioner or for the purpose of obtaining medical treatment.
- (3) The Participant whose age 80 years and above is required to produce a medical certificate from his/her attending Qualified Medical Practitioner that he/she is fit to depart for the Trip.
- (4) The Participant who was discharged from any hospital within 30 days before the date of departure of the Trip, is required to produce a medical certificate from his/her attending Qualified Medical Practitioner that he/she is fit to depart for the Trip.

#### Automatic Extension on Period of Scheme

In the event of delay beyond the control of the Participant as a direct result of an Accident or Serious Illness sustained by the Participant, or which occur during the Period of Scheme and preventing the completion of the return Trip before the expiry of the Period of Scheme the Company shall extend the scheme for such period as is necessary for the completion of the Trip.

Provided that the above event is admissible under this scheme in the first instance, the Period of Scheme shall be automatically extended without additional Scheme Contribution for such period as is reasonably necessary for the completion of the Trip.

#### Major Exclusion

- (1) Any treatment undertaken for relief of chronic illness, for example renal dialysis, chemotherapy for cancer or radiotherapy for cancer
- (2) Any immunizations, routine medical examinations, cosmetic surgery and other elective treatments and surgical procedures
- (3) Loss resulting from horse riding activities.
- (4) War and kindred risk and government acts.
- (5) Nuclear/chemical/Biological Terrorism Exclusion (LSW 1176)
